## About Us

Blue i Enterprises is a leading security services provider established in 2010 offering the most, reliable and effective security services with a view to provide high quality security services in a very cost effective manner which always keep the customer Satisfaction.

Though we are a startup company, we have almost 25 years of experience in providing the security services. As the company founder and Co-founder are the retired professionals from Armed forces.

Mr. C.M. Venugopal founder of Blue i Enterprises has been served Indian Army for 19 years and after his retirement from the Indian Army he has worked for leading security services in Bangalore.

Mr. V.A. Sriramulu Co-founder of Blue i Enterprises have been served Indian Railway Police as Sub-Inspector for 35 years and after his retirement from the Indian Railways he has worked with leading security agency in Chennai for 18 years.

The guards/house keeping staffs that are proposed are carefully selected with high qualitative standards such as educational background, knowledge of English, past experience, and with good background. We ensure proper training to perform their duties to customer satisfaction and make efforts to exceed the expectations. Our training comprises theoretical classes and continuous on the job training and onsite by experienced training officers.

Staff members are young, energetic, well trained and disciplined and have thorough knowledge with regards security services.

### Building TRUST & Providing PROTECTION

We believe in providing the quality security services with cost effective and customizable plans to the Residential Layouts and Establishments as per their specific needs & requirements to the clients

Utmost attention is given to suitability of our personnel in accordance with stringent parameters laid down in our policy, which includes Age, Education, physical fitness and antecedents. The security personnel proposed to be deployed in Residential Layouts & establishments are able men/women with ample educational background.
